

Letter 210: 2 September [1524], Basel, Desiderius Erasmus to Capito

Printed in Allen 5, Ep. 1485; English translation in CWE 10, Ep. 1485.

[*Summary*]: Erasmus suspects that Capito has incited Otto Brunfels against him and is now behind the attacks of [Heinrich] Eppendorf. He covertly threatens revenge. He insists that he is more sincere in promoting the gospel than Capito realizes, but he refuses to support the teachings of the Strasbourg theologians.
