Printed in BrOek 1, pp. 320-321, Ep. 222.

[*Summary*]: Oecolampadius has read a letter from the Swiss community to the Strasbourg preachers and is now conveying it to Strasbourg. The letter tells of the difficulties of the Swiss. Oecolampadius is glad to hear that Capito is giving free lectures on the Old Testament [at the nascent Strasbourg gymnasium]. He is disturbed that there are so many sects among the Swiss. He sends greetings to Capito, Hedio, and their wives.
