Printed in *CorrBucer 2*, pp. 98-9, Ep. 117.

[*Summary*]: They deny that they aided or encouraged peasant rebels. They ask the councillors to inform them of the proceedings involving certain insurgents of the Peasants' War recently executed at Saverne. They in turn will submit a statement of their own actions and of the advice they gave to the peasants [see below Ep. 280]. They are prepared to justify themselves before a court.
