Printed in CorrBucer 3, pp. 162-64, Ep. 195.

[*Summary*]: Zwingli reports that he received a letter from Sebastian Hofmeister, preacher at Zofingen, informing him that Michael Cellarius [see above, Ep. 357, and below, Ep. 361] is causing dissent between Capito and Bucer. He exhorts them to remain united in their endeavours. He asks them to assist the bearer of the letter in his legal wrangles with Johannes Burckhard.
