

Letter 384: 13 April 1529, Liegnitz (Legnica), Valentin Crautwald to Capito and his colleagues.

Printed in QGT 7, p. 237 (# 182a) and CorrBucer 3, p. 264, Ep. 224.

[*Summary*]: Although Crautwald had decided some time ago to recommend Schwenckfeld [cf. above, Ep. 362], he has only now found the time to do so. When Schwenckfeld arrives in Strasbourg, he will be “a living letter.”
