

Letter 404b: [After 6 March 1530], Strasbourg, The Strasbourg Preachers to the Community

This is the introduction to a Latin translation of Ep. 404a above: *Non esse ferendas in templis christianorum imagines...*, ([Strasbourg: J. Prüss] 1530), by Jakob Bedrot. The letter is printed in CorrBucer 4, pp. 26-29, Ep. 277.

[*Summary*]: The preachers urge those who do not approve the removal of images to read Bucer's justification [Ep. 404a], which has now been translated into Latin.
