

Letter 412: 24 May 1530, Strasbourg, Capito to Ulrich Zwingli

Printed in ZwBw 4, p. 590, Ep. 1029.

[*Summary*]: Capito recommends the bearer, [either Jacob Hilari or the Philip mentioned below, Ep. 413], who served as a priest in Brandenburg and was ousted because of his beliefs. He is an upright and godly man, but Capito cannot recommend his industry. He hopes that Zwingli will help Karlstadt.
