

Letter 452: 7 October 1531, Strasbourg, Capito and Martin Bucer to the City Council of Augsburg

Printed in CorrBucer 6, pp. 182-84, Ep. 483.

[*Summary*]: Sabine Bader, the widow of Augustin Bader, who has been executed in Stuttgart [cf. above, Ep. 451], has lived in Strasbourg quietly and piously, but cannot make a living there and is therefore returning to Augsburg. They ask that the city accept her recantation [accepted 24 October 1531] and permit her to take up residence in Augsburg.
