

Letter 514a: [September 1533, Strasbourg], Capito to the Reader

This note appears at the end of Oecolampadius' *In Hieremiam prophetam* (see above, Ep. 514 headnote). It is printed in BrOek 2:742, note 4.

[*Summary*]: Capito explains that he edited this commentary, which was left unfinished when Oecolampadius died in 1531. Oecolampadius wrote his comments as he found time and occasion; Capito 'supplied what was missing and edited what Oecolampadius authored in good faith.' He is planning to edit Oecolampadius' commentary on Ezechiel as well [see below, Ep. 527].
